

## STARTING DATES 2014

### Enrolments

Monday 20-Wednesday 22 January

School office open for enquiries

### Senior Course Confirmations

Tuesday 21 and Wednesday 22 January

9.00 am-Noon

### Tuesday 28 January

Years 9, 13 and all new students attend

Powhiri at 8.30 am

### Wednesday 29 January

Years 9 and 13 attend at 8.40 am

5.30 p.m. BBQ for Y9 students & families

### Thursday 30 January

Whole school attends at 8.40 am

### Uniform and Stationery Shop Hours

Monday 20 January-Friday 24 January

9.00 am-3.00 pm daily

Thursday 23 January:

9.00 am-6.30 pm

Tuesday 28 January-Friday 31 January

9.00 am – 3.00 pm daily

### From Monday 3 February

The Uniform Shop will be open on Monday, Wednesday and Friday from 11.00 to 11.30 am.

*Please check our website  
for updated details*

## MELVILLE HIGH SCHOOL 50<sup>th</sup> REUNION

4, 5, 6 April 2014

### REGISTRATIONS ARE NOW OPEN

Register online at <http://reunion.melville-high.school.nz> or download a form at [www.melville-high.school.nz/50<sup>th</sup>](http://www.melville-high.school.nz/50th) Reunion.

You may also request a Registration Form from Reunion Committee, Melville High School, Private Bag 3107, Hamilton 3240. Follow us on [www.facebook.com/melvillehighschoolhamilton/events](http://www.facebook.com/melvillehighschoolhamilton/events)

## LEAVERS' DINNER

On Tuesday 3 December, the annual Year 13 Leavers' Dinner was held at Babaganush restaurant in Hamilton East. Staff, students and families joined together to celebrate the successful conclusion of our Year 13 students' education.

Many of our Year 13 students have been with us at Melville High since they started secondary school as Year 9 students in 2009, so it was with some mixed feelings of pride and sadness we farewelled them.

We wish these Year 13 graduates all the best for their future.

**K Christian, Year 13 Dean**

**Merry Christmas and  
a Happy New Year**

## PRINCIPAL'S MESSAGE

Tena koutou katoa  
Greetings to you all

### SEASONS GREETINGS

The last activity of a special 2013 was a memorable Junior Prizegiving. It was a great pleasure to see all those junior students, who have excelled in a host of different areas, receive recognition and awards.

This year began with our best ever NCEA results at Levels 1 and 3, and as the year progressed Melville High School students demonstrated many examples of excellent achievement, including winning:

- Regional Stage Challenge
- selection to compete in next year's Kapa Haka national competition in Gisborne
- the Warren Gatland Cup for 1<sup>st</sup> XV Rugby
- the national title for Girl's A Grade Basketball
- the regional title for Junior Girls' Basketball.

There were also a host of other successes in areas of academic, sporting and cultural endeavour.

This achievement occurred not only through the efforts and focus of individual students but also because of the team effort and support of families, whanau, teachers and the school community.

The teaching, administrative and support staff have all played a key role in contributing to make these positive achievements occur. The role that these people play as part of a great and focused team is the key to ensuring that we are able to deliver quality education.

In particular, I acknowledge the significant and consistent support of my Deputy Principal Dave McNulty and the Leadership Team. This year, the Leaders of Curriculum have also played a valuable role in our initiatives.

I also thank Jos Caughley and caretaker, Barry Kemps and their teams for their efforts.

This effort and good organisation is well supported by the Board of Trustees who have worked hard in the support of school programmes and other issues throughout the school. To our Chairperson Tracey Cooper, and all the board members, particularly the sub-committee convenors, thanks for all the effort and hard work.

The principle of partnership has been a key aspect of the school's continuing growth. The effort and assistance of our parent community continues to be a significant accomplishment of our school, be it your attendance at interviews, coaching sport, supporting school trips, sports days and help in supporting your child at home. Such active support enables us to realise student's potential and is very much appreciated.

Special thanks go to those who have provided sponsorship, supplying goods or services, interest and time. This has all made a significant difference. In this regard, I would like to acknowledge **The Gallagher Group, John and Glenice Gallagher, The Perry Outdoor Education Trust, The Lion Foundation and Konica Minolta.**

Within our school environment this year there have been some noticeable improvements. The refurbishment of the Rec Centre and the C Block Science laboratories, and the opening of the magnificent state-of-the-art John Gallagher Fitness Centre were highlights. The Ministry of Education has continued with its policy of the removal of surplus buildings too.

There have also been other milestones this year. My most memorable has been our senior students involvement in projects like **Habitat for Humanity** where students give to and serve our community, and Food Bank collections, putting into action our school motto - To serve and to work -Hei awhina hei mahi.

I welcome this opportunity to share with you my appreciation for all the contributions that each of you have made to ensure that this year has been a successful one.

To those students who are leaving, we wish you all the very best for the future. I am sure you will have fond memories of your time at Melville and we look forward to keeping in touch.

Finally, the end-of-year festivities are ahead of us and there will now be time to spend with families and friends. Please ensure you make time to rest and take time to enjoy the break. Please look after yourselves and your children and have a very **Merry Christmas.**

Kia Ora

**Clive Hamill, Principal**

## **BOARD OF TRUSTEES CHAIRPERSONS NEWSLETTER REPORT, DECEMBER 2013**

2013 has been one of the most successful and rewarding years in recent history for Melville High School and much of this is thanks to the continued hard work of our students and staff, their families and the wider community.

We've held several successful functions to recognize and celebrate our successes, with one of the smaller events also proving to be one of the most humbling.

The Appreciation Evening for our coaches, volunteers and helpers reinforced the vital role they play in our school and that without their tireless efforts, we would have very little to celebrate.

For some, success was measured in winning titles while for others it was simply about providing opportunities for students to try something new and to have a bit of fun.

We've all heard about the success we've had this year and our congratulations go to all those people involved in those particular undertakings.

We may not be the biggest school in the city, the best resourced school or the most highly regarded but people are starting to take notice of Melville High School and our challenge is to continue that trend of good news.

As Chair of the Board of Trustees, I've been hugely impressed with the new Board and the way they have embraced the unique challenge being on the Board brings.

We are committed to continuing with the previous Board's aim of raising the bar for our students in all aspects of school life, be it attendance, behaviour, uniform, learning, NCEA, sport or engagement.

We're seeing positive results in many of these areas but consistent improvement only comes from constant vigilance and hard work from everyone from the top down.

The Board also acknowledges the ongoing commitment from all staff. Many go far beyond simply what is required in their jobs and take a genuine interest in our students, their education and their futures.

It's all very well to congratulate ourselves on a job well done as we head off on our summer holidays, but 2014 looms as another important year, with our 50<sup>th</sup> anniversary in April.

Plans are in hand but as we get closer to the April celebrations, there will be a need for more volunteers to help out on the weekend and ensure it is the success the school deserves.

We also have a visit from the Education Review Office next year. This can be a stressful time for staff and requires a lot of preparation but I believe we are on the right path. ERO will find areas we can improve on but the challenge is how we respond to that.

Before that though, enjoy the holiday break and have a very merry, happy and safe Christmas and New Year.

### **Tracey Cooper, Chairperson**

**On behalf of Aaron Whaanga, Gilly Rowling, Liz Willis, Janine Jackson, Bex Milicich (Student Representative), Bill Russell (Staff Representative) and Clive Hamill (Principal)**

### **2013 YEARBOOK**

This year's Melville High School Yearbook is in the process of being finalised and will be posted to families early in the New Year.

My appreciation is extended to Claire Lincoln, Shivam and his team for their hard work in editing this great resource. Without their effort this chronicle of the Melville High School in 2013 would not have eventuated.

One copy is free to each family who has paid their school donation. Further copies are available at Student Services for \$20.00 a copy.

**C Hamill, Principal**

### **REPORTS**

Enclosed with this newsletter are the end-of-year reports for all students. The Year 9 and Year 10 reports provide comment on student achievement against the appropriate curriculum levels.

In Te Reo Māori, there are only two levels of achievement, Level 1 and Level 2, for the entire five years of secondary schooling. These follow the standard commentary with each subject area having a separate page.

This year, senior students (Years 11-13) will receive an updated summary NCEA achievement record in lieu of an end-of-year report.

Parents are reminded that we welcome the opportunity to talk with families about the progress and achievement of your children at any time. Please feel free to arrange an interview through the school office.

**C Hamill, Principal**

**Absence Line****Phone 843 5212/Text 027 287 2428**

Please phone or text the above numbers if your child is absent from school for any reason. No note is required on return to school if you phone or text in.

**Deans**

Deans are available regarding any subject or behaviour concerns you may have about your child. Phone messages will be responded to at their earliest convenience.

**Student Services Centre**

- Notification of change of details
- First aid
- Student sign out/in for appointments
- Lost property
- Fees payments

**Stationery/Uniform Shop**

Opening hours

Monday, Wednesday, Friday

11.00 am –11.30 am

**Guidance Counsellors**

Students and families are invited to make appointments with our Counsellors, Lesley Beech and Paul Gay by phone (843 4529 ext 939/940).

**Careers Adviser**

Students and parents are welcome to make appointments with Mrs Searancke for advice on courses and careers (843 4529 ext 953).

**Gateway Co-ordinator**

Students and parents are welcome to make appointments with Mrs Climo for advice on Gateway placements (843 4529 ext 925 or 027 4521026).

**YEAR 9 WATERWORLD TRIP**

On Monday 2 December, 70 Year 9 students had a very enjoyable outing to Te Rapa Waterworld. The weather was warm and sunny and the students had access to both the indoor and outdoor facilities. The hydroslide and diving boards were also available so there were plenty of water-based options.

The grass areas and playground proved popular at times and the smell of sizzling sausages brought a crowd around at lunchtime.

This is a tried and tested formula for an affordable and enjoyable day out. No doubt the participants returned home tired but happy after a great day at Waterworld.

**J Ledson, Assistant Principal****MILO AND MUFFINS FOR ENGLISH STUDENTS**

**English teachers Mrs Leslie and Mrs Diaz serving up milo and muffins**

English teachers provided Milo and muffins for students before their English exams this year. Most students enjoyed the opportunity to ask last minute questions of their teachers and to settle their nerves. There was a greater sense of commitment as they went to the exam together. The exam supervisor felt that fewer students left the exam in the first hour. It was so successful that we hope to offer the same service next year for the practice exams as well.

**M Black, LoC English****DEANS FOR 2013**

Melville High School has a team of staff that supports the Pastoral Care of our students. This team includes: Senior Leadership Team, Deans, Tutors, Guidance, Director of LID and School Chaplin.

In June, ERO visited us as part of a national review of Secondary School pastoral care systems. They said that the Board resourced pastoral care very well, at almost twice the levels of most other schools and that our management and support of students in the Counselling and Guidance area rated highly in comparison to the other 32 schools they had visited.

There are a number of changes of roles for our Deans in 2014. The responsibilities are as follows:

LEVEL	DEAN	SENIOR LEADER
Yr 9 Dean	Kathleen Christian	John Ledson
Yr 10 Dean	Phillip Smiler	Alison Tuck
Yr 11 Dean	Teresa Hill	Dave McNulty
Yr 12 Dean	Arnie Paurini	Dave McNulty
Yr 13 Dean	Lester Silver	Dave McNulty

## UNIFORM CODE

This uniform is **COMPULSORY** for Years 9, 10, 11 and 12 students at Melville High School.

**All Year 13 students** are able to wear mufti in accordance with the Senior Dress Code.

All Melville High School regulation uniform items, except footwear, are available for purchase from the Uniform Shop, Monday, Wednesday and Friday, 11.00 am-11.30 am.

Students are only permitted to wear clothing outlined in this uniform code.

## BOYS UNIFORM

SHIRT: Regulation white cotton polo

SHORTS: Regulation black

TROUSERS: Regulation long black

SOCKS: Plain black

## GIRLS UNIFORM

BLOUSE: Regulation white cotton button through blouse

SKIRT: Regulation black

SHORTS: Regulation black

SOCKS: Plain black

STOCKINGS: Winter: black pantyhose

## BOYS AND GIRLS UNIFORM

JERSEY: Regulation

JACKET: Regulation (black)

SANDALS: Black (must have back heel strap, no jandals)

SHOES: Regulation plain black (no other coloured markings, black laces)

PE : Regulation

## New black regulation jacket

The Board of Trustees wishes to thank our community for their feedback on our new uniform jacket. After this consultation it has been decided that the new black jacket (pictured) will be available for sale in 2014 for \$75. This will be the only regulation black jacket for the new school year. All other forms of black jacket/top will not be part of the school uniform.

The green, red and white current school jacket may also be worn, but will no longer be available for sale from the Uniform Shop. The cost of this jacket had become prohibitive and was the catalyst for change.

**C Hamill, Principal**

## STAFF FAREWELLS

### Kylie Seluka

Kylie has taught English at Melville High School for the past four years. We thank her for her passion for writing and for sharing this gift with students. She is returning home to Canberra to take up a secondary school English teaching position in the new year. We wish her and Russell all the very best.

### Kamal Nair

Kamal joined the school as a biology teacher in 2009 and has been associated with e-learning and PB4L this year. He leaves Melville High to take up the position of Leader of Curriculum Science at Forrest View High School in Tokoroa.

### Harnesh Prasad

Harnesh joined the Mathematics team at the beginning of the year. He moves to St John's College next year to join their Mathematics Curriculum area.

### Russell Lewis

Russell has held a fixed term position in the Technology area teaching Wood and Graphics. He leaves Hamilton to return to Auckland.

### Garth Stimpson

Garth has been teaching Metalwork in a fixed term position with the Hard Materials Technology team.

### Bevan Thomas

Bevan has ably supported the school after Matua John Toroa's prolonged absence due to ill health. Bevan, we thank you for your sterling efforts.

### Jan Masei

Jan has been a part time teacher in Mathematics and has served us well. We wish Jan well with her part time position at Fairfield College.

### Andrew Allen

Andrew, our IT Technician, has won a promotion to NIWA. We have valued Andrew's ability but also his sensitive and caring manner.

We wish you all the very best and thank you for your many contributions to Melville High School

## LES ETUDIANTES FRANCAIS DE MELVILLE

*Hi everyone, we four students stayed at Melville High School for five weeks in term three.*

*What a great experience to discover a foreign way of life, even if the weather was not as good as we had expected. Not only were the students very welcoming, but the teachers were also helpful and interesting to meet. We were very surprised by the general friendly atmosphere. Your school life is so different from the French one that attending Melville classes was a kind of culture shock for us, but we enjoyed it all.*

*We've had such an amazing time here that we're not going to forget it.*

*We want to thank absolutely everyone for this great experience and all of us want to come back to New Zealand*

*A bientot – see you!*

French students pictured  
with Hamilton Mayor, Julie Hardaker

**Marie Champenois, Estelle Colson,  
Guilhem Courbon, Diane Pasquier**

## CLINICAL TRIALS NZ

Do you have Facial Acne? Clinical Trials NZ is conducting a trial to study a medicated cream to treat bothersome facial acne. We are looking for people who have multiple acne lesions on their face to participate in the study. If you are aged between 12-30 years and you have multiple acne lesions, then you may be eligible to participate. Participants in the Clinical Trial will receive reimbursements for travel. This study has been approved by the NZ Ethics Committee.

If you are interested in taking part in this study, which is being conducted by Dr Marius Rademaker and the research nurses, please contact: Clinical Trial NZ 07 843 0105, Anneke Marais 021 167 3800, Heather Logan 027 378 4269.

## SENIOR ACADEMIC PRIZEGIVING SPONSORS

Melville High School would like to acknowledge and thank the following businesses which have not only supplied the school with quality equipment and materials during the year, but who also generously donated prizes for the recent Senior Academic Prizegiving ceremony.

**The Toolshed** in Hamilton donated a range of quality tools and storage accessory prizes for all the senior classes in the Technology Hard Materials and Design and Visual Communication subjects.

**Bunnings**, Hamilton donated three \$50 store vouchers as prizes for the Technology Hard Materials to enable the recipients to choose from their wide range of products.

**White Cliffs Timber Limited** donated a set of quality chisels for the prize winner of the Trade-Related Industries award.

Senior Food Studies students were recipients of prizes donated by **Southern Hospitality** which has 14 showrooms throughout New Zealand, one of which is in King Street in Hamilton. They stock a wide range of cooking equipment and machinery that the Melville High School students have been fortunate to use as part of their Level 1, 2 and 3 cookery courses.

Thank you again for your support, and we look forward to dealing with you again in 2014

**D Kallahar, HoC Hard Materials Technology, Design and Visual Communication**  
**E Ross, LoC Technology**

## JUNIOR ACADEMIC PRIZEGIVING SPONSOR

Melville High School would like to thank the **Waikato University Chapter of the Golden Key International Honour Society** who generously donated gift vouchers towards our Junior Prizegiving.

The Golden Key International Honour Society is an international non-profit organisation, which is committed to recognising and promoting academic achievement.

The mission of the society is to recognise and encourage scholastic achievement and excellence in all fields of study, to unite with academic staff and administrators in developing and maintaining high standards of education, to provide economic assistance to outstanding members and to promote altruistic conduct through voluntary service.

## JAPANESE STUDENT VISIT

Melville High School recently hosted a group of 32 Year 11 students from Sendai Seiryō High School in Japan.

The full tour group consisted of 129 students plus Japanese tutors and NZIUI representatives. Other schools in Waikato who hosted these students were Fraser High School, Cambridge High School and Morrinsville College.

The nine day tour began on 27 November with the group flying back to Japan on 5 December.

The purpose of the trip was to learn English and experience New Zealand culture, with all the students staying with Kiwi families.

Performing with poi in the school marae

Learning the haka

The students all had a great experience, trying many Kiwi things such as Marmite and L & P!!

Some of the students said they didn't want to go back to Japan because they really liked their Kiwi families.

**Norihoko Koweki, Japanese Co-ordinator**

# Sports@MLV

## Clay Target Shooting Update

**Joshua** recently competed at the New Zealand Compak Clay Bird Champs where he managed to shoot extremely well and gain his first New Zealand title by winning the Junior division. In the process, he also managed to beat some top quality adult shooters. Josh shot 83 out of 100 on the Saturday which set him up for his win, as on the Sunday they toughened up the field where he shot another good score of 70 out of 100.

This shoot had shooters from Australia, New Caledonia as well as the South Island.

**Congratulations Josh!**

## Athletics

All the best to Kalib and Cameron (Patricia Avenue Satellite Unit) this weekend who will be competing at the New Zealand Secondary School Athletics Nationals at Porritt Stadium.

## Rugby Sevens

Held at Hamilton Boys' High School every Wednesday throughout November, there has been a Year 9 and Year 10 Rugby Sevens competition involving teams from Melville, Fraser, St John's, Putaruru and Hamilton Boys' High. Both Melville teams performed very well, coming 3<sup>rd</sup> in both competitions. Credit goes to coaches Paul Harmer and Sam Nonoa for the teams' performances.

This competition was the build-up to a quad competition held at Fraser High School on Friday 29 November where both teams made the final. Unfortunately the Year 9s lost in overtime to Fraser with **Santana**, **Joey** and **Shannon** having great tournaments.

The Year 10s went through unbeaten, beating Hillcrest in the final. Good performances from **Leki**, **Hone** and **Louis** but overall a good team effort with Louis Katene picking up MVP for the Year 10s.

## Touch

We have had a senior and junior girls' team who have performed well at the Waikato Secondary Touch competition at Elliott Park every Wednesday. The finals is being held this week so all the best to the girls.

Heads up to Beau and Michelle Wetere Heu and Matua Ray for their time and effort.

## Waikato Rugby Union Awards

On Thursday 7 November, the Waikato Rugby Union Awards were held at Waikato Stadium.

Nominated for Kukri Secondary School Coach of the Year was Melville High School's 1<sup>st</sup> XV Coach, Paul Nathan along with four other nominees. Paul was selected as Coach of the Year which was 'the icing on the cake' after a great season with the 1<sup>st</sup> XV.

**Paul Nathan (left) with a Kukri representative**

Paul has developed the rugby at Melville for the last four years so this award was well deserved and a great achievement, not just for Paul, but for rugby at Melville Club and Melville High School. *Congratulations and well done, Paul!*

## Volleyball

On Wednesday 4 and Thursday 5 December, Year 9 and Year 10 students respectively had a volleyball tournament within their tutor groups.

Through the direction of *Sport Waikato*, selected junior students organised this tournament for the two days. There was great participation from the students and they thoroughly enjoyed themselves.

The support from tutor teachers and staff was greatly appreciated.

On Wednesday, the Year 9 boys' winning team was 9SL, with Year 9 girls from 9SA and 9SL tied first equal.

On Thursday, the Year 10 girls' winning was 10ED, and tied for first place for the boys were 10IT and 10RS.

**Congratulations to the winning teams!**
